

Dear Diver,

Welcome to Mantamaria, a diving center located in the middle of the Atlantic Ocean, on the Island of Santa Maria, the furthest southeastern island of the azorean archipelago.

In order for you to get a better impression we made this bamboo USB sticks which you've got from one of our Team members.

We've packed it with useful information about Mantamaria and the beautiful island of Santa Maria.

- 1. Welcome to Mantamaria:** Information's about what Mantamaria have to surprise you;
- 2. Who we are:** Biography about our center;
- 3. Before dive with us:** Conditions you need to know before diving.
- 4. Terms and Conditions** of our Dive Center for your information;
- 5. Mantamaria Presentation:** is our official presentation for a better understanding of who we are and how do we operate;
- 6. Pricing List** with our usual local prices;
- 7. Booking Form** which we use for our Divers to register;
- 8. What to do in Santa Maria?** - is a folder with some additional content about different activities;
- 9. Videos** of the past season and some older;
- 10. Photos** - a folder full of spectacular pictures we were able to take during this last season

We hope you enjoy this small gift and we will soon have the pleasure to welcome you in our diving center.

For more information you can consult our official website, like us on facebook and see our reviews on Tripadvisor:
